

Hi. I am Mirko.

I design and build, responsive and unique websites.
I am a minimalist and a creative problem solver.

My ten years of experience originates from both agency and freelance work.

I currently reside in **Boise, Idaho** and work for **Valitics, Inc.** as a Creative Director. I welcome the opportunity to take on small Freelance projects and love working with startups.

Keep it Simple.

You may be putting out a small fire right now, or enjoying a mojito on the beach. I value your time and in leu of reading through my resume, I offer you this abbreviated version: I am Mirko. I design and build easy to use, responsive, and unique websites. I am a multi-disciplinary artist and minimalist. I have over 10 years of Professional Design experience and would love to work with you on your next creative endeavour.

For my recent works and portfolio please visit my website at www.insepsis.com
